

Dear Donor,

PATCH will restore The Ritz Theatre to its original grandeur of 1929, retaining the original Spanish Renaissance style. Upon completion of the restoration, The Ritz Theatre will be operated as a performance and presentation facility showcasing a variety of events promoting culture and creativity, creating a support system for all creative arts organizations of the Coastal Bend. Dynamic programming for The Ritz will include performances of music, dance, comedy, cinema and cultural productions, festival and educational programs and also allow for private rental events, conventions, meetings, and lectures. PATCH will develop programming that will reach into the heart of the surrounding communities, creating lasting partnerships between artists and businesses, thus nourishing the seeds of economic development for all.

The Ritz Theatre will be an attraction in itself, offering a unique atmosphere, as this 1000 seat venue is one of the last historic Texas theatres to be restored. The Ritz will offer a look into the past of Corpus Christi, little known to most people. Movie stars from the 30's to the 60's traveled to Corpus Christi's Ritz for opening nights. Legendary musicians from Stevie Ray Vaughn to Bruce Springsteen and Jimmy Buffet were just starting their careers when they played at The Ritz. A president even showed up with his secret service to see a show!

Your support will be a vital part of bringing this grand landmark, and hub of culture and creativity, back to our city. Thank you for your help and for considering our request.

Respectfully yours,

Monica McLeod Sawyer  
President, Corpus Christi PATCH, Inc.
